Do you have a safeguarding concern - Think Is this a Safeguarding Tier Referral?

The TIER SYSTEM is a preventative approach to Safeguarding so that any abuse/neglect/errors can be picked up early...

Tier 3
Critical

Immediate action is required and an Adult Safeguarding Alert needs to raised to the Local Authorities Community Adult Front Door (CAF) by a manager on Tel: 01942 828777.

Tier 2Significant

Staff member to complete Tier 2 form and inform manager ASAP for oversight and further checks against full tier guidance. The tier 2 form is emailed to PMMD@wigan.gov.uk for the QPO to monitor.

A more serious incident has happened and a person may have experienced harm/neglect- however, it does not appear to meet the threshold for an Adult Safeguarding Alert.

Tier 1

Low Level Safeguarding Concern

Staff member to complete Tier 1 form and pass to manager for oversight.

An isolated incident where no harm has occurred, but we need to take action to prevent it from happening again or prevent a situation from getting worse.

If someone is in immediate danger or imminent risk, do not wait, ring 999 **Safeguarding is everyone's responsibility**
